

# IS THERE ANYBODY OUT THERE (THE WALL LIVE)

The deluxe package was released by EMI on 27, March, 2000

The 'standard' edition was released by EMI on 10, April, 2000

US release: on 18, April, 2000 by Columbia Records.

The CD is released in a double jewel box, but also in deluxe six-by-eleven-inch edition designed by Storm Thorgerson. Both editions include booklets. The CD-box can be ordered from the following links.

The CD includes two tracks titled 'MC/Atmo'. MC is short for 'Master of Ceremonies/ Atmosphere'. The 'Master' was the spoken words before the shows started. A lot of people were provoked by the MC but he was actually a scripted part of the show.

'The Last Few Bricks' is a new title for the instrumental piece that was played close to the end of part one allowing the stagehands to complete the construction of the wall. The piece is a 'medley' made up from other songs from the show and was earlier called Almost Gone.
